

THORPEDENE PRIMARY SCHOOL & NURSERY

Primary PE & Sport Grant Awarded 2025/2026

PE Lead Teachers: Ian Hamilton & Lauren Price	
Lead Governor for Sport Premium: Stephen Tollworthy	
Total number of pupils on roll:	416
Total Grant Amount:	£20,010
Summary of Primary Sport Premium The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2025 to 2026 academic year, to encourage the development of healthy, active lifestyles. The Department for Education (DfE) has published information on how much PE and sport premium funding primary schools receive, and advice on how to spend it. PE and sport premium for primary schools - GOV.UK (www.gov.uk)	
Vision All pupils will leave primary school physically literate, equipped with the knowledge, skills, and motivation for a healthy lifestyle and lifelong involvement in physical activity and sport.	
Objectives of spend: 1. Improve the teaching and learning of PE & School Sports at TPS. 2. To provide pupils with increased opportunities in sport There are 5 key indicators that schools should expect to see improvement across: 1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school 2. The profile of PE and sport is raised across the school as a tool for whole-school improvement 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport 4. Broader experience of a range of sports and activities offered to all pupils 5. Increased participation in competitive sport	

The percentage of pupils within their year 6 cohort for academic year 2025 to 2026 that can do each of the following:	Number of pupils in Year 6:
swim competently, confidently, and proficiently over a distance of at least 25 metres	62%
perform safe self-rescue in different water-based situations	62%

Item/project	Cost	Intent	Implementation	Impact	Key Indicator
Coaching/staff training	£7,914	Pupils benefit from high-quality PE lessons	PE Specialist to work with teachers to develop their delivery of the curriculum.	Specialist PE coaching and training has increased staff confidence and subject knowledge in delivering high-quality PE lessons. Teachers have benefited from practical guidance and support from the PE Specialist, enabling them to develop their teaching practice, improve lesson delivery and provide pupils with more engaging and effective PE experiences.	3
Get Set 4 PE Planning subscription	£800		The PE Specialist will collaborate with teachers to plan and develop their delivery of the curriculum.	The Get Set 4 PE planning subscription has increased staff confidence in planning and delivering high-quality PE lessons. Teachers have access to clear, progressive and well-structured lesson plans and resources, supporting consistency across the curriculum and enabling pupils to develop their skills and knowledge progressively. This has also reduced teacher workload and allowed staff to focus on delivering engaging and purposeful PE lessons.	3, 5
Sports Equipment and Resources	£189	Provide essential, high-quality equipment for engaging, safe PE lessons and extracurricular activities.	Audit current equipment, identify gaps, and purchase new items to ensure all activities are well-resourced. Regularly maintain and update equipment to ensure safety and engagement.	Investment in sports equipment and resources has enabled the school to prepare effectively for PE lessons, clubs and competitions, ensuring pupils have access to the equipment they need to practise and develop their skills. High-	2

				quality resources have supported engaging and purposeful sessions, helping pupils to build confidence and develop their sporting abilities while ensuring activities are safe and well organised.	
Minibus Costs	£5883	Enable transport to sports events, expanding opportunities for participation in off-site activities.	Schedule minibus use for transportation to external sports fixtures and events, ensuring fair access for all students. Coordinate with local sports competitions and arrange trips for participation.	The minibus access has enabled pupils to travel to a wider range of competitions, fixtures and sporting events, increasing their opportunities to represent the school and compete against other schools. This has supported greater participation in competitive sport and provided valuable experiences that have developed pupils' confidence, teamwork, resilience and sportsmanship.	4,5
SPSSA Coaches	£1000	Provide students with extra opportunities to engage in sport, with this year's focus being girls' football.	SPSSA coaches join us for for hours a week with a focus set by the PE Lead.	Specialist coaching has had a significant impact on pupils' sporting skills, confidence and participation. The school won the Boys' Football League and SECAT Cup, with the Year 5 and Year 6 girls' football teams also winning their SECAT Cups. The school also achieved 3rd place in Borough Sports, with pupils winning over 20 individual medals. These successes demonstrate the impact of regular specialist coaching while providing pupils with valuable experiences of competition, teamwork, resilience, representing their school and celebrating sporting achievement.	
Subscription to the SPSSA	£2000	Grant access to inter-school competitions, promoting teamwork, fitness, and community engagement.	Register the school for local competitions and sports leagues, ensuring participation in a variety of sports throughout the year. Organise teams and provide opportunities for all students to compete.	The SPSSA subscription has significantly increased the range and variety of competitive sporting opportunities available to pupils. Children have represented the school across a wide range of sports, including opportunities to try new activities such as archery,	5

				where pupils achieved medal success. Participation in inter-school competitions has enabled pupils to develop confidence, teamwork, resilience and sportsmanship, while providing memorable experiences of representing their school and celebrating achievement. The breadth of opportunities has helped ensure that pupils with different interests and sporting strengths can find activities in which they can participate, compete and succeed.	
Now Press Play Subscription and Resources	£2224	Encourage active learning through immersive, audio-based adventures that promote physical movement.	Integrate Now Press Play into lessons across the curriculum, allowing students to learn actively through physical engagement. Use the resources in PE lessons and cross-curricular activities to make learning fun and active.	Now Press Play has had a positive impact on pupils' engagement and enjoyment of learning by allowing them to immerse themselves in the curriculum through active, interactive experiences. Pupils have been able to bring learning to life through movement, sound and imagination, making lessons memorable and engaging. The programme has provided opportunities for children to learn actively while developing their physical, listening and teamwork skills, helping to create a more inclusive and enjoyable learning experience across the curriculum.	1
